Friendly, courteous, highly professional team who produced a finished product which exceeded our expectations. Arrived exactly when they said they would, worked through atrocious weather and completed the job early and to an exceptionally high standard, and at a thoroughly reasonable price. I recommend them without reservation. **Customer in Chichester, 9 May 2012**

Contractor planned well for difficult weather conditions and work was completed to my total satisfaction. Competent and pleasant. **Customer in Chichester, 8 May 2012**

Fence for privacy to heighten old, irregular wall - but without detracting from attractive stonework.

Sensible advice on fence that would make full use of the wall + lovely style/woodtype/finish and workmanship. Very calm in coping with heavy rain showers and need to return to supplier for more parts. Advised us throughout of necessary time changes. Partic note of his care in having to access throu house and when having to work from neighbours side. **Customer in Chichester, 19 April 2012**

Fencing to both sides of bungalow. On one side lining up with existing fence. Also hung two gates.

Mike and his team are very professional and work to a high standard. They go that 'extra mile'. Fair price, tidy and clean. Very pleased with end result of fencing both sides of bungalow. Would use again. **Customer in Chichester, 16 April 2012**
