Landscaped front garden and driveway

The service was excellent, the most professional company I have ever dealt with. **Customer in Hove, 1 December 2011**

Re-designed back garden

10 / 10

Lea designed our back garden nearly four years ago. We acquired two chocolate Labradors this year, and need a re-design to accommodate them. Lea came up with the perfect design, building on the work previously done. He also designed our front garden. Once again we are delighted with the work done - as stated - on time and - on price. **Customer in Brighton, 25 November 2011**

Linear trellis to existing garden fence

10 / 10

This is the third time that I have asked Langlea to undertake work in my garden. On each occasion they arrive in a timely fashion, work in a tidy and ordered way. On this occasion I wanted a linear trellis attaching to my existing garden fence. I was happy to leave the detail to the experts and am absolutely delighted with the results. Lea and Tom never fail to impress and I couldn't recommend them highly enough **Customer in Peacehaven, 20 October 2011**

Landscaped a small patio garden into a more family friendly area

10 / 10

We really enjoyed the whole process of having our garden redesigned and landscaped with Langlea. The team were very friendly and inspired and really took our family needs into consideration. At the time of work, the guys were amazing, really friendly and great with a very interested 2 year old! Our neighbours could hardly believe how tidy they were to the extent where our immediate neighbour decided to have some work done too. I cannot recommend them highly enough. We love our new garden! **Customer in Hove, 2 May 2011**
