#### Luxaflex Conservatory Blinds fitted to Roof and Sides

10 / 10

Really pleased with these blinds, service and cost. These blinds are a terrific help in regulating the temperature for both heat and cold. Easy to open and close. Would certainly recommend both the blinds and Homestyle. **Customer in Glenrothes, 4 December 2011**

#### Blinds - some horizontal slats and some vertical ones

10 / 10

Yet again Homestyle have exceeded our expectations, and have proven why we keep using them time and time again (they have fitted blinds in nearly every room in our house now!)

Our kitchen/diner needed two different types of blinds - cream slats in the small non-standard window and long fabric vertical blinds (panel blinds) on our huge bi-fold doors. They look amazing!! The quality of the blinds, as well as the accuracy of the fitting, are second to none.

Emma in the shop, as always, was so helpful - not to mention her patience when we couldn't decide which to choose from the great range!

Thank you Homestyle - we'll be back again soon! **Customer in Shoreham-by-sea, 30 November 2011**

The blinds we had fitted are great quality and look perfect! I would highly recommend Homestyle to anyone! Great service, great value, friendly and polite staff from the shop to the fitters. My conservatory is now a cosy room that we can use all year round. Thanks Emma and Fraser! **Customer in Peacehaven, 28 October 2011**
