Mark and his team were very impressive – they were well organised, courteous and a pleasure to have working in the house. Unexpected problems were calmly dealt with and the resulting work was to a very high standard. I have no hesitation in recommending them **Customer in Petersfield, 10 April 2012**

Mark and team were superb, very tidy and quick to not be in your way when moving around the house. Always tidy, courteous and friendly at all times - nothing too much bother. **Customer in Waterlooville, 16 March 2012**

Change bath and plumbing, then completely refit en-suite

10 / 10

Boxalls said Mark and team were excellent, and they were not wrong. What seemed a complicated bathroom problem was dealt with calmly and efficiently in a short time.. Mark, Phil and Neil were polite, very helpful, gave excellent advice, and did a super job. They were extra careful to leave a tidy house every day and all in all made a slight upheaval very easy. (Tip: Phil takes two sugars in his tea, the others nil). If you want the best, look no further.. **Customer in Fareham, 14 February 2012**

New enlarged bathroom installed taking in old immersion tank cupboard. New studwork walls erected, new shower enclosure, door rehung, new lighting, tiling, fitting of new cupboard, towel rail etc. This is the 2nd complete bathroom that Mark Ludlow has installed for me. From start to finish a complete pleasure to deal with. Always polite, courteous and nothing is ever too much trouble. A complete perfectionist, always. I will be using his services again and would highly recommend his work. **Customer in Havant, 25 October 2011**
