Remove existing kitchen and install new one.

Excellent value for money. Mac was very helpful with the choice of style and colours of units, worktops and tiles. Very good to find somebody who is so enthusiastic about what they do and this shows in the quality of finish. We were kept informed of timescales and these were kept to very well. If you are planning to have a new kitchen or bathroom we would very highly recommend M and J Kitchens. **Customer in Horsham, 13 March 2012**

Refurbishment of en-suite.

10 / 10

We had never undertaken the project of re-newing a bathroom before and Mac talked us through how we could set out our en-suite in a better format to enable a larger shower cubicle. The work carried out was to a high standard and looks amazing. We were introduced to the plumber and tiler who worked alongside Mac who were equally professional. Peter his tiler was brilliant and have had many comments about how wonderful his work is! **Customer in Horsham, 24 February 2012**
