Shared driveway and front garden paved

10 / 10

Mark and Nick explained everything to us step by step so we knew what they were doing and why, even our neighbours commented on how tidy, organised and efficient they were, we couldn't fault their attention to detail and they have provided us with a competitively priced high standard driveway which looks stunning. They really like lots of cups of tea and bacon rolls which was a pleasure to do for such nice guys who provided us with quality workmanship. **Customer in Shoreham-by-Sea, 25 May 2012**
