#### Replacement of block paving driveway with new block paving 10 / 10

I had a number of quotes for my driveway to be done. I found some contractors quite brusque and pushy. However, Mark Hancock was polite, offered suggestions and provided a clear quote via email in a timely manner. He also was able to answer subsequent questions and amend the quote when I added some extra work. They turned up when they said they would as originally booked albeit they start very early (7am!). Mark, Mark and Darren worked harder than any tradesmen I've met and made progress much more quickly than I would have expected. All three of them are polite and pleasant to deal with. Any queries I had or requests for alterations were met and dealt with without question and the work was carried out to my satisfaction and I am quite picky! All in all the driveway looks great, they did a very neat job and cleared up afterwards. The job was quoted as 3/4 days and they finished inside 3 days. I would have no hesitation in recommending this company for both the quality of the work and ease of dealing with all the guys. **Customer in Weybridge, 10 May 2012**

#### Replacement garden patio. 10 / 10

Excellent team of hard workers, very impressed at thoroughness and diligence. Also constantly cleaning up throughout. **Customer in Walton-On-Thames, 20 April 2012**

#### New 3-block paved drive and sealing 10 / 10

Mark and his team arrived early every day and have done a great job on our circa 97sq metre drive. The end result has exceeded our expectations - even the neighbours are impressed as 4 of them have also now employed MH Paving to do their drives. If we ever needed similar work done again we would not hesitate to use Mark. **Customer in Addlestone, 30 March 2012**

#### Driveway and patio in Woking 10 / 10

The best tradesmen I've ever contracted, simply. Very high standard of work - the finished driveway is lush. They are a pleasure to get on with and went the extra mile fulfilling a bespoke request we had, putting a lot of thought into it. Can't fault it in any way. A very easy recommendation. **Customer in Woking, 26 March 2012**

**Trees cut down and area landscaped. Shed emptied and knocked down.**

Once again a superb job from Mark, Mark and Darren. But a special mention to young Mark R who has a work ethic to be proud of. Mark worked hard and to a standard of which cannot be faulted (as the three of them do), but he was left for a time on his own conducting this work. He is a credit to Mark H and I would not hesitate to recommend them. I am saving now for the next job of which I have lined up for Mark and the lads. Thank you. **Customer in West Byfleet, 2 February 2012**
