#### Sink unit fitted to studio, three new doors (one sliding) new handles to other doors 10 / 10

Further to my posting on 14th April. Malcolm and Graham have been back to fit a sink unit into my studio, they also hung three new doors, including one sliding door on my kitchen. As expected they have done a very neat job and were as cheery and pleasant as ever. I am very pleased with the results and will definitely use them again. **Customer in Fareham, 18 May 2012**

#### Improved kitchen by adding previously missing endboards and trims to units, two new cupboards one over the boiler, new sink and tap, oven, hob, worktops and upstands and generally put things right all the wrongs. 10 / 10

I cannot recommend Malcolm and Graham enough it was a pleasure to have them in my home. They are polite, cheery, tidy skilled workers who take a real pride in doing a good job. They handled problems well finding the best solution even when it meant changing their original plans. The results are excellent. My kitchen is transformed. The electrician and plumber they used were also excellent, they make a great team. I wouldn't hesitate to use any of them again. In fact I already have them booked to do another job. Thank you chaps **Customer in Fareham, 14 April 2012**
