Decoration of hall/stairways for three storey house 10 / 10
Once again Mark and his team have been truly excellent. It was a big job and they were here for three weeks. The work has been done fantastically well and they are people who are lovely to have around. Pleasant, polite, courteous, reliable. Very tidy too! Mark has done a number of jobs (internal and external) for me over the years and I would never want to use anyone else. **Customer in Brighton, 5 April 2010**
