Replacement of all house wndows

This window company are the most efficient, clean, tidy and the product is fantastic. The workmanship was second to none even helping to put back my roman blinds. There was a problem getting the old windows out as the builders had put them in so badly some years ago. The job was obviously going to take longer than they had allowed but as true professionals it was not a problem and came back 24 hours latter to finish the job.. Especially as they were trying to get finished for Christmas. Highly Recommended and a pleasure having them in our home. **Customer in Horsham, 19 December 2011**
