Mark was prompt with his quote and phoned me the same day. The guys were totally helpful and trustworthy, polite and friendly - as I was taken ill on the morning of the move and they were sympathetic and left to their own devices just got on with the job without any fuss. I would highly recommend this company. **Customer in Southsea, 9 December 2011**

Removals from Tangmere to Fishbourne in West Sussex.

The staff arrived on time, and were polite, friendly and courteous. They were efficient for the whole process and certainly helped relieve the stress of the day. They completed the unloading and locating of all boxes and when done asked several times if we needed anything else moving around the house before they left. The quote was competitive and we are sp glad we used this company, and would recommend them to anyone else. Thanks lads. **Customer in Chichester, 2 December 2011**
