Most Recent Customer Feedback

To convert a 1 bed flat to 2 bed, new bathroom, complete rewire and new boiler 10 / 10

Amazing service, fast, efficient good workmanship and nothing was too much trouble. Up to date with new products and Regulations, gave very useful advice along the project. I would highly recommend Matt. **Customer in Hove, 29 August 2011**

Fitting micro hand basin, mirror and tiles 9.5 / 10

Matt turned up on time and worked hard to finish the job pretty quickly. He did a very tidy job according, mostly, to my instructions/diagram, leaving me relatively little dust and grit to clean up. But I had to retro-fit an integral towel rail that should have been fitted at the same time, which was luckily fairly easy to do. **Customer in Brighton, 7 April 2011**

Main bathroom refit 9.8 / 10

Mat quoted for the complete refit of our main family bathroom. He was the most cost effective and actually provided us with the most formal written quote compared with the other builders we spoke to. We found Mat to be very efficient with his work, very tidy at the end of each day and we love the end result. We would have no hesitation in recommending him and will be using him again in the future. **Customer in Brighton, 3 March 2011**

Seal a leaking basement porch and repair a gate 8.5 / 10

It took four months from the initial quote to manage to pin Matt down to do the job. Once here though the job was done well. **Customer in Lewes, 9 February 2011**

General building work, refitting of heating. 10 / 10

Was recommended to me by previous owner of property - extremely happy with work done so far and will be using again for further home improvements. **Customer in Crawley, 8 December 2010**
