Replace boiler and remedial work in the bathroom — 10 / 10

I live in Laos SE Asia and let my house in Brighton through agents, however I always keep in touch directly with the tenants by e mail. Matt came highly recommended by the agents. When the work was completed I emailed the tenants about the work. They reported to me that matt was highly professional and very friendly and they were very pleased with his work. When the invoice arrived I sent matt an e mail thanking him and he asked me if I would post something on this web site, which I am happy to do! **Customer in Brighton, 10 May 2012**
