#### Erect scaffolding

9.8 / 10

Mr McHugh was punctual and polite. He understood the requirement and provided a very reasonable quote. The scaffolding was erected in my absence and to my satisfaction. I was happy to see they used protective kick boards and ensured the ladder was properly secured. I'd definitely use them again. **Customer in Sutton, 18 November 2011**

#### Scaffold and hand rail to second storey for roof replacement

10 / 10

Jamie came very promptly to quote and erected the scaffold swiftly the day after I commissioned him. Also came back to add a handrail at my builders request with no questions asked. All the guys are very helpful, and polite. He was also the most competitive quote of the four that I got for the job and very reasonable. I will use him again and highly recommend. **Customer in London, 20 June 2011**
