### Most Recent Customer Feedback

#### Replacement of all windows in an upstairs flat of a converted Victorian House 10 / 10

We were given an excellent service by Meridian. There were complexities which were solved with full discussion and consideration of options well in advance of the installation. Meetings were arranged to suit us and to get the right people involved. At installation every thing went to plan. The windows are good and have been fitted whilst retaining the original internal frames. I can't sing their praises high enough! **Customer in Newhaven, 12 January 2012**
