Michael did a fabulous job and was very mindful of the need to get the job done to budget and in time. He worked evenings and weekends to do this. The work is really well done and I will definitely use him again and again. **Customer in Arundel, 21 October 2011**

#### Garden decking

10 / 10

Mr Andrews was able to provide excellent advice and a competitive quote. The work was carried out on time and a very high standard. The end result was even better than expected and I could not recommend Mr Andrews highly enough. **Customer in Hove, 29 August 2011**

#### Replacement of outside gate and frame

10 / 10

Michael quoted for replacing the garden gate and it's frame. The work was extremely well done with a huge attention to detail. Michael spent a long time making sure that the gate was perfectly fitted and the frame was anchored so securely that it will probably outlast the house itself! **Customer in Hove, 29 August 2011**

Good work but trader must stick to the agreed time schedule and not change it especially at short notice. His customers arrange their work/availability according to the agreed plan. I would use him again - high quality. **Customer in Steyning, 16 April 2011**
