Repair and Paint of Retail Premises

10 / 10

Great communication, Michael worked hard and to a very professional standard. I welcome anyone to come down and see the shop, 44 Trafalgar street in Brighton. He repaired the damaged areas and painted quickly and effectively. I looked hard to find someone who was friendly and passionate about their job, and Michael did not disappoint. I would highly recommend him! Jon Holmes (www.Velovitality.Co.Uk) **Customer in Brighton, 4 May 2012**

Painting and decorating two rooms

10 / 10

My husband always does the decorating and never feels that anyone can do the job as well as him. Due to lack of time we had Louise come and paint my daughters room. My husband was so pleased with her work that we immediately got her back for our front room.....we are now planning to have more work done. Thanks again to Louise for her great work, the house is starting to take shape. **Customer in Hove, 3 January 2012**

Total redecoraion of 3 bed flat

9.3 / 10

We were utterly impressed with Mike and all his team. We needed a full redecoration plus some tiling, electrical and carpentry work. All of the work was completed to a very high standard and on time. We felt that we could totally trust Mike and the team, who were very polite and complimentary. Mike was particularly good at keeping in regular contact (we weren't living in the flat at the time of the work) and his suggestions were valid and well thought out. The snag list was completed in full and within a very reasonable timeframe. Its refreshing to deal with honest, professional and skilled tradepeople like this. **HIGHLY RECOMMEND !!!!
