4 days laid dining room, hall and lounge oak flooring. 10 / 10

Very knowledgeable, worked consistently to high standards, listened to our requests and met our needs, worked alone in our house, very trustworthy, dedicated to getting things right and completing in the time specified. Very professional, experienced in laying all types of wood. I would certainly recommend him and use him if needed again in the future.

Lay a new Kitchen Floor 10 / 10

Mike did an excellent job. He offered a good price, arrived when he said he would every day and completed the job with minimum disruption. On a couple of occasions Mike went beyond his remit. We would certainly employ him again and would thoroughly recommend him. **Customer in Surbiton, 2 May 2012**

Laminate floor in kitchen 10 / 10

Mike was friendly, courteous and helpful. He arrived on time, worked hard and completed the project in the forecast time. He admitted to being 'fussy' and this showed in his attention to detail and tidiness. I was impressed that he fitted felt protective pads to the legs of the furniture - something that I had not asked him to do. I thought I paid a fair price for an excellent job and have no hesitation in recommending his services. **Customer in Esher, 18 April 2012**

Levelled floor, fitted wood flooring and new skirting board. 9.8 / 10

Mike fitted another wood floor in our hall and lounge 3 years ago and did an excellent job, which is why we asked him to do this job as well. Mike did another great job despite coming across a few problems such as misaligned walls and uneven floors. **Customer in Sutton, 4 April 2012**
