### Most Recent Customer Feedback

#### Replacement of water damaged kitchen items and redecoration. 9.8 / 10

First rate job, excellent standard of work, polite, accommodating, hard working. **Customer in Aldershot, 22 February 2012**

#### Plastering two ceilings and coving on one of the ceilings 10 / 10

These guys are fantastic! I would recommend them to anyone. They arrived earlier than they said they would to do the work. They charged me exactly what they estimated. They worked extremely hard throughout the day and I was very very happy with the finished job. They were meticulous with their tidiness throughout the day and left me with a clean house as if they hadn't been there at all. I will definitely use MK again! **Customer in Aldershot, 29 October 2011**

#### Partial conversion of a garage and refurbishment of house. 10 / 10

We would highly recommend Michael to carry out building work because of his professional attitude, trustworthiness, hard work, politeness and reliability. We knew exactly where we were with Michael, he would give us ideas and suggestions when a problem arose and the end product always looked good. Michael kept within the stated time scale and budget. Our house definitely had the "wow factor" once all the work had been completed. Thank you Michael for all your hardwork, we can now enjoy our newly decorated house. **Customer in Guildford, 1 August 2011**

#### Outside painting and trim work, installation of fence 10 / 10

The work is to a very high standard. They were on time and budget providing receipts for materials and made recommendations in the best materials to use for our purposes. Trustworthy, reliable, and high quality. We have used them before on numerous inside projects like redecoration and cloakroom installation and recommend them highly. **Customer in Fleet, 14 July 2011**

**Complete refurbishment of house**

9.8 / 10

We bought a house that needed loads of work done on it, more than we realised and quite honestly without Michael we would have run into trouble. We chose him to do the work because he has a great "can do" attitude, he arrives on time and he does exactly what he says he will do and the work is a very high standard. He more or less project managed everything and he really got involved in the project. I can only recommend him and would most definitely use his services again in the future. **Customer in Camberley, 17 June 2011**
