### Most Recent Customer Feedback

#### Front drive and brick wall

9.8 / 10

Although the start date was delayed by one day, the team worked very hard, and finished a day earlier than expected. The standard of workmanship is impressive, and care was taken to ensure I was happy with each stage of the work as it progressed. I would not hesitate to recommend MNB on a good job well done. My only reservation is that, despite many reminders, it is proving difficult to get any form of paperwork from them. **Customer in Warlingham, 1 December 2011**
