Complete renovation of old bathroom 10 / 10
The brief given to Mode Ltd was to renew the whole bathroom, with a special request for extra storage. Trevor came up with a clever design which did supply exactly what we had asked for. Despite the small space the room does not appear crowded, because of the new layout. All work was done to a high standard and with least possible disturbance to the household. The charge was very reasonable and we could not be more pleased. We can recommend Trevor and Tony to anyone. **Customer in London, 20 December 2011**

Complete renovation of bathroom 10 / 10
We are very pleased indeed with the job done by Trevor and Tony in our bathroom. This involved plastering, wiring, carpentry, installation of new bathroom suite and radiators, tiling, painting - all done with great skill and attention to detail.

Trevor's knowledge and advice at the planning stage was also very helpful. I would highly recommend Mode Ltd.
