Most Recent Customer Feedback

Fitted curtain track into a box window

10 / 10

I would recommend Mr Trax, the work was carried out quickly, to a very high standard, and at a reasonable price.
Customer in Brighton, 9 April 2012

Fitted pulley operated bay track

10 / 10

Doug completed the job to a very high standard from start to finish. He communicated by email, text and phone and was even able to accept payment via a card machine. We were shown samples beforehand and given time to think about what was best for us. The job was also completed on a Saturday, which was ideal for us. During fitting, Doug respectfully removed his shoes and had his own slippers to wear inside, which was a lovely touch. He's a great example of what tradesmen can be and we would recommend him without hesitation! **Customer in Hove, 26 March 2012**

4 venetian blinds and curtains

9.8 / 10

The work was undertaken efficiently and tidily and we're absolutely delighted with how it all looks. "Mr Trax" always gives the impression that he works in your home as he would work in his own. Highly recommended. **Customer in Worthing, 21 February 2012**

Supplied and fitted curtain rail and full length curtains to big bay window and fixed new curtain rails in bedroom to replace old ones.

10 / 10

Very pleased with the work carried out. Doug was able to advise us about the choice of curtains we wanted and what work was involved in fitting the curtain rail and curtains. He had plenty of samples to

show us and the curtains we chose were ready for fitting very quickly. As we opted for full length curtains we had to have brackets fitted to bring the rail away from the bay window which involved a considerable amount of work. Doug was very professional and was very courteous. He made sure that he made as little mess as possible and worked very hard all day to ensure our curtains look their best! **Customer in London, 17 December 2011**

Replacement of broken curtain track.

10 / 10

Attended required works as above at short notice, I.E. The next day. **Customer in Hove, 9 December 2011**
