Bathroom Installation

10 / 10

Mulcare-Ball installed our new bathroom beautifully and the standard of work was exemplary and when unexpected obstacles arose they dealt with them efficiently and quickly. The team were polite and thorough, very accommodating of 3 nosy children, and infinitely more tidy than me. The bathroom looks great and we would be more than happy to recommend the company. **Customer in Haywards Heath, 4 April 2012**

New Bathroom and Shower Room Installed

10 / 10

Mulcare-Ball fitted a new family bathroom and a new shower room into our house. The service we received exceeded all of my expectations and my family and I are thrilled with the finished results. Daniel Ball is extremely professional and filled me with confidence on our first meeting. As for the guys Daniel had complete the work (Mickey and Mark), I can honestly say I have never had anyone doing work for me with the high levels of skill, pride, dedication and "can-do" attitude as these two. It was a real pleasure to have them working on our bathrooms, they always turned up on time, were clean and tidy, were flexible and accommodating when it came to obstacles or change and always kept us informed of what was going on. If you are looking at refurbishing or replacing your bathroom I would highly recommend Mulcare-Ball for the job. **Customer in Haywards Heath, 3 April 2012**
