Electric Cooker fitted 10 / 10

Excellent!!!! This was the cheapest we found in our area and to say it was good value for money is an understatement. He was polite and friendly and carried out the work without mess or fuss...we will definitely be using him again in the future! HIGHLY RECOMMENDED :-)

Extractor fan fitted in bathroom 10 / 10

I had used njp elect services previously to replace a consumer unit, and had no hesitation in asking Nigel to quote for another job, this time for my daughter. If you want a quality job carried out at a good price I highly recommend him. The work was carried out on time, and on price.
