Patio And Garden Redesigned

10 / 10

Despite intense cold weather, Nick and Chris built a new patio and levelled a sloping lawn quickly and efficiently. We would always recommend them as professionals, who know their business. **Customer in Chichester, 18 February 2012**

Garden patio and wall

Second job from Nick. Would always recommend him **Customer in Petersfield, 1 September 2011**

Removing part of interior wall and relocating windows. New drainage.

10 / 10

Nick Kingston is an exceptional builder with specialist knowledge and skills. We are thrilled with his craftsmanship in removing part of an interior wall and relocating two first floor windows on an exterior wall of our 18th century flint cottage. He left the house clean and tidy every night, taking away any rubbish to a skip on his own premises. It was a pleasure to have him around - such a friendly, trustworthy and honest man - always happy to go the 'extra mile'. We would have no hesitation in recommending him to anyone. **Customer in Emsworth, 9 August 2011**

Lime repointing of a 16th C grade 2 Listed wall

9.5 / 10

Wall required the removal on cement pointing, the turning / replacing of bricks and repointing in lime mortar. Nick and Chris arrived on the planned start date and were always very courteous and polite. We have no previous experience in this area and Nick was very helpful and always willing to share his knowledge and experience. We have received a number of positive comments about the result of his work and would use Nick again and recommend him to others without hesitation. **Customer in Emsworth, 8 August 2011**

Foundations and brickwork for lower part of conservatory

10 / 10

Very good service throughout. Timely estimate, efficient preparations and working. Very good finished product. Friendly and cheerful relationships over the working period. Very willing to discuss options, to advise and to "go the extra mile". Oh yes - the price was very reasonable too :-)
