Installing shower curtain and tiling to bathroom

9.8 / 10

I was given a quote for the work and the work was undertaken over two days. The price quoted was very reasonable and the work was completed very professionally. The bathroom has been greatly improved and I was particularly impressed with the tiling work. As I was not able to be there when the work was done, I was in regular contact with Noel Lawlor and he was very prompt and polite in responding. I would have no hesitation in recommending this company and Noel Lawlor to others. **Customer in Haywards Heath, 22 November 2011**
