Fixed Leaks under sink

10 / 10

I called Natural waters after finding good feedback on here. It was a Saturday and I had a leak from my main water tap so had to leave the water off. He came round that afternoon, early which was a bonus, to sort it out for me. Despite some difficulties in finding the main water turn off outside the property, the leak has been fixed along with two additional ones in the same place which I had put off for ages....:-). Defo recommend and will use again **Customer in Eastbourne, 31 March 2012**
