Remove Ariston boiler and install new Vaillant boiler 10 / 10

I bought a Vaillant boiler, time switch and flue on the internet and when I received them Neil removed the old Ariston boiler and installed the new Vaillant in its place with a magnatec and water filter. Neil was on time, very helpful, cleaned up very well after the job. He explained the boiler operation to me. Even filled in the guarantee for the new boiler for me. **Customer in Brighton, 14 May 2012**
