Paint the whole of the inside of a house in Portsmouth

10 / 10

Dave painted the whole of the inside of a house in Portsmouth for me in preparation for letting. I was very happy with what he achieved as there was a lot of preparation work given the house had been let out previously for 10 years. Dave finished the job within the timescale we agreed despite the condition and the weather which made drying more difficult. I found him very personable, he arrived when he said he would and was willing to turn his hand to other tasks such fitting some skirting board and boarding up a fireplace. I would definitely use Dave again, particularly for a job where an excellent finish is required, and am happy to recommend him to others. **Customer in Portsmouth, 11 February 2012**

Prepare and paint 4 rooms including hall, stairs and landing

Dave provided well prepared and excellent finish. He was extremely helpful with other small problems, gave very good advice. Nothing was too much trouble for him. He is a lovely person, hard working and we would highly recommend him. **Customer in Havant, 28 November 2011**

Hall wall papered and painted

9.8 / 10

Dave is a fantastic worker, having had a terrible experience from a decorator on check a trade, I was reluctant to use again. However, I needn't of worried. Dave has made an excellent job and put right what was looking a disaster, I am so pleased. I would definitely recommend him and have. The only reason I have given him 9 points for workmanship, is as Dave said "there is always room for improvement". **Customer in Rowland's Castle, 21 November 2011**

Whole house completely re-decorated - painting, woodwork replacement

10 / 10

Having just moved to a new area we had no contacts and were worried that no one would be as good as our 'old' painter. Boy, were we lucky to find Dave! Everything I expect in a professional tradesman, always willing to go the extra mile and offer constructive advice and solutions. His preparation work was excellent. In addition, he rebuilt and painted a tatty old hall cupboard, replaced skirting, and replaced or repaired as he went along. Above all, and this was most important, he

was a good bloke! Polite, intelligent, clean and tidy in his work, accommodating and generally a pleasure to have around. Need I say more? **Customer in Waterlooville, 18 November 2011**
