Most Recent Customer Feedback

Single storey side extension, and removal of internal walls

10 / 10

John provided a detailed quote, so you can always see how far through the project the build is. We were always kept informed of what is happening, and John ensured that there was as little disruption as possible. The team are polite and easy to discuss issues with. They always make an effort to clean up at the end of the day. Would not hesitate to use them again. **Customer in Leatherhead, 12 October 2011**

Refurbishment of entire flat

10 / 10

As always they were extremely reliable, true to there word, clean, courteous and fun to be around. A lot of work was carried out which required 're jigging' the entire flat and I cannot fault one single part of the entire process. I would recommend these guys to anyone. **Customer in London, 31 August 2011**

Garage Conversion /Replacement Windows/Doors/Gutters and Reorganise Bungalows internal s pace

9.8 / 10

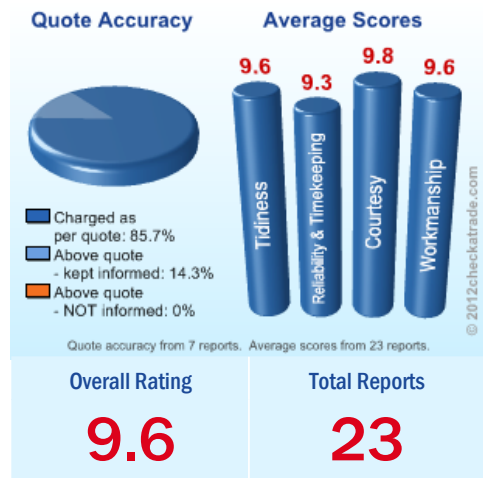

I found Newlands Building Company through Checkatrade and read the previous good reviews and hoped for the best when I called them. At our first meeting John courteously listened to what I wanted, gave some helpful advice and took away the plans. I quickly received a detailed and competitive quote and I am very happy with the high standard of work they are doing and am looking forward to moving into my transformed bungalow soon

I would have no hesitation in recommending John and his team. **Customer in Leatherhead, 9 April 2011**

Demolish and re-build brick pillar to electric gates.

10 / 10

Newland Building Services, managed to re-claim many of the old bricks and the top coping stone so that a perfect match was made. Great brick work with much care taken. Really courteous team who arrived when stated and completed the work quickly. Excellent service. **Customer in Leatherhead, 11 March 2011**

Rear brick porch.

9.5 / 10

Friendly competent builder. Quality work and left everything lean and tidy. I would recommend this company. **Customer in Dorking, 7 March 2011**
