New kitchen

10 / 10

Excellent work...Have transformed, what was an 'opening' into the lounge, is now an open planned (larger) kitchen blending in with the lounge colour scheme...You have to see it, to believe it!
 And my 'old' kitchen did not go to waste, as Colin the carpenter/joiner fitted it into my garage for extra storage space, which looks amazing!..Would recommend this company without hesitation, as they are out to please the customer!
 Well Done New Look! **Customer in Crawley, 8 May 2012**

Two door mirrored fitted wardrobe and fitted storage cupboard

10 / 10

Considering the fitted wardrobe and cupboard were installed in a very small bedroom, the end result was amazing! Has given the room character and creates a spacious 'image'..
 Gary and Colin (the fitter) worked very hard that resulted in a very professional finish, creating lots of storage and hanging space that is desperately needed...Colin also fitted new bedroom doors which also complimented and completed the job...Would not hesitate to recommend this company... **Customer in Crawley, 3 April 2012**
