Most Recent Customer Feedback

Gas hob fitted in domestic property

10 / 10

Edward responded within 24 hours of our request for his services . He was helpful in explaining the gas regulations but did not treat me like an idiot. A very nice chap and registered with Gas Safe which is reassuring.. **Customer in Aldershot, 2 February 2012**

Replace a three way valve that was stopping water getting to downstairs radiators

10 / 10

Edward was on time when he came out to us. He diagnosed the problem straight away. He replaced the offending valve and quickly resolved the problem. He cleared up after he had finished and was at all times polite. I would thoroughly recommend Mr Newman to anyone looking for a plumber. **Customer in Bordon, 14 December 2011**

Replacing a thermostatic radiator valve to fix a leak

10 / 10

Ed explained what needed replacing and did so quickly and efficiently. I would definitely recommend him. **Customer in Camberley, 9 December 2011**

Installed full gas central heating system - combi boiler and 7 rads

10 / 10

Ed turned up when he said he would, stayed in touch and was always contactable. He is polite and works in a tidy way, we found him very good to deal with. The price on the quote was the price we paid and it was extremely good value for money. He listens to what you ask him to do and discusses things sensibly. Highly recommended. **Customer in Farnborough, 25 November 2011**

Removing and replacing radiators

10 / 10

Its the second time I've used Ed and once again can't fault him! Reliable, tidy, considerate and courteous and friendly.
