#### Garden re-shaping to my design

9.5 / 10

I live in Cobham. I was given a recommendation by one of Paul's customers in Guildford. Paul and his colleague arrived 8am every morning and were happy to encompass adjustments to the design as issues arose. It took a little longer than estimated, and they came back the next working day to complete it. It has been a pleasure to do business with them. **Customer in Cobham, 30 March 2012**

Gave a quote promptly, and was reasonably priced too. Paul removed the old fence (half had fallen down) and replaced it with a new one. Nice work. Easy to deal with by email. I'm happy! **Customer in Camberley, 18 January 2012**

The work was done efficiently and in good time. Paul was friendly and the work was very well done and all the rubbish was removed. And Paul gave advice on maintaining the hedges.
