Removal of large tree and front garden and new driveway laid 10 / 10
Nick did an excellent job in removing a very large and stubborn beech tree and digging out the front garden to lay a new driveway incorporating a new flower bed. The end result was better than I could have imagined. Nick worked extremely hard and was always punctual, when he did go off to get materials he always informed us and was back when he said he would be. I highly recommend him and would have no hesitation in using NJT Landscaping again. **Customer in Shoreham-by-Sea, 27 April 2011**
