Service and M.O.T

4.3 / 10

Went in for a basic service, when I picked the car up my lights didn't work. They said that was nothing to do with them but would fix it anyway as a good will thing. I don't know but they were working when it went in. Also my seats were left dirty. Again that wasn't them, mm. In my opinion over all I felt that they were a bit off with me because I questioned there work. **Customer in Brighton, 28 April 2011**
