Really nice workmanship - Clive clearly takes pride in the quality of his work and it shows in the results. Clive offered advice on how to go about the project and get the best results. He takes time to check you are happy with what has been achieved and kept us updated as he progressed. The work was completed on time and in budget. I would definitely recommend 'Nu Drives' and would use them again. All round great result. **Customer in Littlehampton, 17 June 2011**

**Replacement of a dangerous and badly fitting manhole cover**

10 / 10

When we phoned Nu Drives and explained we had a problem with a badly fitted and dangerous manhole cover, we were treated very courteously, even though it was only a small job. They came and inspected it very quickly, identified the problem and sorted it with the minimum of fuss. Fully recommended and we will certainly contact them in the future should we require any work done on the drive - large or small. **Customer in Littlehampton, 12 May 2011**
