New concrete fencing posts and fencing

10 / 10

Over 80ft of fencing replaced. Every post required digging new holes. Despite the unforeseen problems that occur with any job the work was carried out efficiently with the least disruption and on time. Mr Catherills work is always professional and cleans up afterwards. He is always polite and helpful. I would not hesitate in recommending! A first rate tradesman **Customer in Littlehampton, 23 November 2011**

Extremely pleased with the workmanship (three of my neighbours have asked for his number because they are so impressed). Couldn't ask for a nicer person to deal with, and actually charged me less than quoted. **Customer in Worthing, 27 September 2011**

Can't fault Kevin and Chitz for their punctuality, professionalism and sheer hard work. Nothing was too much trouble and we are extremely happy with the end result. Would recommend without hesitation and will certainly ask them to return and undertake further work in the future. **Customer in Worthing, 16 September 2011**
