Complete new Kitchen and Utility

10 / 10

We cannot thank Brett and the team enough for all the planning, hard work and attention to detail that has totally transformed a rather dated kitchen/utility into a modern, well designed and stylish area that is a pleasure to cook in. Brett spent time listening to our requirements and nothing was too much trouble to ensure we had the 'Wow factor' that he promised us. The lack of a showroom was no problem as we were shown reference sites and product samples to choose from. The job also included new ceilings and flooring, replastering, electrics, all done to the same high standard. The whole team displays a standard of customer service which surpassed our expectations, courteous, friendly and professional in all they do. In conclusion we cannot praise Brett, Dawn and everyone at Oakleigh Kitchens highly enough and have already recommended them to friends (one already booked in with Brett for 2012), A job well done!! **Customer in Angmering, 30 November 2011**

Complete installation and redecoration of kitchen and dining area.

9.8 / 10

The work was carried out to a very high standard - Brett is unique in that he prides himself on ensuring not only the quality but also the design, materials and final decoration are all as near perfect as possible. Brett is also very willing and helpful if called back for any questions or adjustments needed. Dawn is also brilliant in providing the office back up. Would definitely recommend Oakleigh Kitchens to anyone looking for similar installations. **Customer in Worthing, 31 August 2011**

New kitchen design with additional French doors to garden

10 / 10

We are so pleased with our new kitchen that Brett designed and fitted along with his team. He listened carefully to what we wanted and then came up with an original design that works really well. Nothing is too much trouble and Brett and his team work with a great deal of pride in what they do, which means every little detail is taken care of. They offer a very personal professional service with a very good price to go with it. **Customer in Littlehampton, 30 June 2011**

Brett and Dawn were extremely helpful and kept us fully informed of delivery dates, times of arrival etc. All work was carried out with a minimum of disruption to ourselves.
