#### Complete kitchen and dining room refit

10 / 10

Right from the start Brett's enthusiasm and passion to provide the kitchen and dining space that I wanted far surpassed the other companies that I approached. He really listened to what I wanted and provided excellent ideas and suggestions which have now provided me with a beautifully finished, quality, kitchen/dining room. This was a total refit of kitchen cupboards, part of a wall removed to the dining room, plastering, plumbing, electrics, painting and laminate flooring laid. I simply love everything about it and would highly recommend Brett and his team to anyone. Last, but not least, final praise also for Dawn who kept me fully informed throughout and does much to assist the work progresses smoothly with getting everything ordered. Thank you! **Customer in Horley, 20 January 2012**

#### Kitchen Units, Appliances and flooring (including electrics and plumbing).

10 / 10

Am over the moon with the new kitchen and so pleased that we decided to go with the quote from Oakleigh rather than the big chains as I am certain that we wouldn't have had the same quality of workmanship (or products). I can't believe how much space that the new kitchen has created and was thoroughly impressed with all my dealings with Brett and Dawn (and other members of the team) and their professional manner. Can't recommend them enough. **Customer in East Grinstead, 5 December 2011**

**Complete kitchen installation**

We required the removal of our old kitchen and a complete re-fit of a new one. From start to finish Oakleigh were professional and polite and the work was carried out to a very high standard. The team at Oakleigh are some of the most pleasant workmen we have ever used. We now have a beautiful new kitchen for a very reasonable price compared to other larger companies. We would have no hesitation in recommending them. **Customer in East Grinstead, 22 December 2010**

Work carried out to a high standard, excellent quality units and accessories. Recommended to this company by a previous customer whom I know to be very demanding. **Customer in Crawley, 29 November 2010**
