Clearence and renewal of boundy fence to front and back gardens 10 / 10

Complete satisfaction of all works undertaken. With surgestions on how to improve my specification, with better meathods, and lower costs implecations. Would not hesitate to recomend him to anybody. Already have had 4 callers to my door asking for his details. **Customer in Farnborough, 8 May 2012**

Bathroom re-fit, painting, tiling, walls, vinyl flooring and lighting. 9 / 10

I feel that on the whole work good, but not always a details man. Tiling glue left on surface of tiles. Painting over walls good but finishing off poor, needed to get him to remove paint from floor of surfaces not needing paint. Drilled holes in cupboards to fix to wall, didn't clear up sawdust in cupboard or floor. Usually works for a landlord. Perhaps they are not so fussy about small details. **Customer in Oxted, 10 November 2011**

Refurbished bathroom 10 / 10

Lee was great from the start, checked on our progress with design for bathroom, getting things ordered etc. Lee dealt with lots of problems, our walls and floor were different heights and different levels, a stud wall had been built incorrectly, he found an open fireplace behind one wall and the furniture didn't fit after he'd made the walls safe!. Lee also dealt with the mistakes that our supplier made and even checked that the skip was picked up on time.

The finished bathroom is brilliant and we are very pleased with it, and we have no hesitation in recommending Lee.
