#### Karndeane flooring to hall and office

10 / 10

Phil turned up on time and promised an immediate quote. He matched a quote we had previously been given. Agreed a date for fitting very soon after. He was delayed by a serious accident the day he was due to screed the floor, he kept us updated and ensured the work was completed in readiness for fitting the following day. The fitting was completed meticulously and both he and Ben tidied up leaving a beautiful floor for us to admire. I know they have undertaken work for a number of my neighbours where were delighted with their work and I have no hesitation in recommending them.
