Fitting of new bathroom, including plumbing and tiling.

9.5 / 10

We had agreed to have our bathroom fitted whilst away on holiday. Olly agreed a price beforehand and asked our choices on many aspects of the fitting, before work commenced. On our return home we were delighted to find the job finished and everything completed to a high quality. Obviously ripping out an old bathroom and fitting a new one is a messy job, and some cleaning was required, but certainly no more than we expected, as Olly had clearly tried to keep the mess to a minimum. **Customer in Haywards Heath, 30 April 2012**

New spindles and hand rails installed on 4 flights of stairs

This is the second time we've had work done by Ollie, and we're very impressed again. On time, lovely guy, tidy, great work, and right price. Would ask him to work for us any time we need a carpenter! **Customer in Crawley, 31 January 2012**
