Valley repair and cement work to rear hip

Roof and tile repairs, re-pointing, chimney replacement, exterior painting

10 / 10

Matt and Ricky carried out a variety of works to a very high standard. From re-pointing ends of the roof, fixing tiles, replacing the chimney to completely repainting the house and windows, they carried out the jobs to time and totally within the quoted prices. They have a great attention to detail - for example removing the gutters before painting and refitting afterwards (and fixing a leak in the process), to touching up the door sills with a fresh coat of paint was typical of the thoughtful way they carried out the work. I'm very happy to have had them both working at the house, and would recommend them and their work without hesitation. Excellent work. **Customer in Billingshurst, 9 March 2012**
