**4X Conifer tree Reduction** 10 / 10  
 The firm was professional, competent very helpful and courteous. The men worked quickly, but took all necessary safety measures and on completion left the garden clean and tidy. Their vehicle, machinery and tools were well maintained and the men presented themselves in a neat manner wearing appropriate work gear. Highly recommended company. **Customer in Hove, 14 May 2012**

**Tree reduction and tree surgery, hedge trimming, tree reshaping** 10 / 10  
 Mark was extremely friendly and informative when he came to quote. The work was carried out efficiently, to an extremely high standard (the end result looked much better than I had even imagined), he and his colleague were friendly, tidy and worked to an extremely high standard. I am sure tree surgery in high winds is not easy, but Mark worked to a highly professional standard. It was a pleasure to have him working here. I would happily recommend Organic Matters to friends, family and colleagues and will use this company again. **Customer in Peacehaven, 5 April 2012**
