Very impressed with their work. Steve and Lee were very friendly and completed the job a day and a half early. You could see that they loved doing the work and this showed in the final result, which we are extremely pleased with. We left our house keys with them so they could have access to running water and also have a cup of tea, although they didn't seem to like our choice of biscuit! Overall, very happy with PLS and would definitely recommend them. **Customer in Petersfield, 29 March 2012**
