Very helpful and good advice. **Customer in Winchester, 26 January 2012**

#### Fitted gas hob; adapted gas supply pipe remove / refitted cooker

9.8 / 10

Paul arrived early removed the built-in cooker, fitted new gas hob, adapted the gas supply to suit the built in cooker below (which was slightly deeper than the original). Also changed the hard wired supply to a socket so that he didn't need to remove the plug from the new hob which as Paul advised may have invalidated the warrantee. Excellent workmanship and would use PMH again. **Customer in Southampton, 25 January 2012**

#### Replace FSD in cooker

No call out charge to inspect problem, very professional approach to the work and kept me well informed. Workmanship excellent and checked everything was working well before departing. I would highly recommend this service. **Customer in Eastleigh, 12 January 2012**

#### Fitted mains gas cooker/supplied hoses

10 / 10

Paul is courteous and punctual. The parts were charged to me at the same price he paid to his supplier. Unusual to find no mark up in this day and age. His telephone estimate was exactly what he charged and his estimate was the best one. I would highly recommend him to friends and family and would definitely use his services again. **Customer in Southampton, 1 November 2011**
