Complete refurbishment of bathroom including replacing ceiling, tiling, lights, flooring and modifying airing cupboard. 10 / 10

Phil has provided us with an excellent service with his attention to detail and finish of a very high standard. He is a very able/competent tradesman, considerate, reliable, tidy and trustworthy. The work was not all straightforward and he dealt with the issues in a professional manner. We would not hesitate in recommending him. **Customer in Worcester Park, 9 February 2012**

Build and fit new en-suite shower room, replace ceiling and lighting in existing bathroom 10 / 10

At last we've cracked it! A tradesman who does what he promises, when he promises and the finished product is great. Phil keeps you informed right through the job and is a pleasure to have around. What a find! **Customer in Caterham, 10 January 2012**

En-suite bathroom, downstairs toilet, stud wall. 10 / 10

After being let down by a large Reigate bathroom company, we contacted Phil. I knew of his work from various people, so I was fairly confident that his work would be up to my standards. Phil quoted for the work, and we were delighted to accept his quotation. We had to wait a couple of months for him to start our work, as he is so busy, but it was well worth it. Phil works in a very meticulous way, I am a fussy bu**er, and he never disappointed me. We changed our plans as the job evolved, but Phil just went along with our changes..(he might not do the same for you though!!)

All in all, Phil is a great craftsman. Very tidy. His attention to detail is fantastic. His prices were very reasonable, and I would have no hesitation in getting him back to do more work for me, or recommending him to you.

If you would like to see his work in the flesh then contact him, I would be happy to show you our bathroom. **Customer in Caterham, 17 November 2011**
