Installation of new digital aerial and Freesat dish, plus socket plates

10 / 10

Paul provided a detailed quotation setting out individual costs by email giving a prompt response to my enquiry. Paul has done an excellent job installing a new digital aerial and a Freesat dish on the chimney, together with connecting up 6 aerial points; providing socket plates to each outlet. Tuning TV's and DVD unit leaving with everything up and running to perfection. I would wholeheartedly recommend him. **Customer in Liss, 11 May 2012**
