Painting outside of house and main living room 9.8 / 10
The job affected some of the most important features of this old house, including the main doors, interior beams and entrance door posts. The quality of Darren's work was outstanding - our house has never looked so good. He paid great attention to important details, was meticulous about the quality of the finish and always kept us informed about what he was doing. He is by far the best decorator we have ever used. **Customer in Camberley, 25 May 2011**
