Decorated 9 rooms plus the hall, stairs and landing

10 / 10

Pete and John were a pleasure to work with and have done a great job! The decorating was completed within the 3 weeks originally stated and were both very accommodating to our needs throughout the project which included working around the cat! We have already recommended them to family and are looking at getting the remaining rooms decorated later in the year. **Customer in Newbury, 18 May 2012**
